*Income guidelines taken from the State of Alaska Child Care Program Office Family Income and Contribution Schedule.

Monthly Tuition

| Classroom | A | B |
|-----------|---------|---------|
| Toddler | \$1,148 | \$1,248 |
| Preschool | \$1,019 | \$1,119 |

Instructions

1. Find the row that states the number of dependents on the gross monthly household income.
2. Find the column that matches your household's gross monthly income.
3. Locate the appropriate tuition scale on this sheet to figure your monthly child care costs.
4. Income must be verified using one of the following: W-2, pay stub, or tax records and annually thereafter.
5. RurAL CAP Child Development Center accepts authorizations from all child care assistance programs (State of Alaska, Cook Inlet Tribal Council, Department of Defense, etc.). Family assigned co-pay's are not reflected on this sliding fee scale.
